

Super Charge Summit

What If You Could Learn How To **Double, Triple...** Or Even **Quadruple** Your Income As A MOBE Partner... In Just 3 Days?

At The Supercharge Summit, The Top-Earning MOBE Partners Will Reveal Their Most Closely-Guarded Secrets... Which You Can Use To **Increase Your MOBE Commissions** By \$100,000 (or more) In The **Next 12 Months!**

You can learn a bit from reading, and some by watching, but by far the BEST and FASTEST way to learn is through EXPERIENCE.

And the Supercharge Summit is ALL about experience.

Think of it like this...

Reading an e-book is like a bicycle.

Watching a webinar is like a car.

Going to an event is like a JET PLANE.

You're going to get there no matter what... but I'd rather take the JET any day of the week.

Did You Know, There Are MOBE Partners
Pulling Down **Over \$50,000 A Month** In
Commissions?

If you've been following the MOBE partner contests, you know that I regularly give out **cash prizes of up to \$20,000** to the top MOBE Partners. These cash prizes are in addition to the 50-90% commission they're already earning on sales.

Some "regular people" – not gurus – have placed in monthly contests and earned over \$30,000 in a 3-week period IN ADDITION to prizes... regular people like Ken Faminoff – who placed 3rd in a monthly contest and earned \$36,000 after ONLY 8 months online.

And other **Top Earners** have made well over \$100,000 in total commissions over the last 12 months.

All told, I've paid out over **\$21 million** in total commissions to MOBE Partners.

These "Top Earners" Have Access To The **EXACT SAME** Program And Materials As You Do

These Top Earners have just taken MOBE and "run with it" and they've all figured out unique "tricks" for promoting MOBE and **raking in serious commissions**.

How valuable would it be for YOU to be able to learn ALL the techniques the top MOBE partners are using to earn tens of thousands of dollars PER MONTH?

Well, at The Supercharge Summit...

MOBE Top Earners Will Reveal Their "Never Before Shared" Strategies For Making MASSIVE Commissions

No matter where you're at – whether you just got started with MOBE, are on the partner contest leader boards, or are somewhere in between... there's a way for you to INCREASE your monthly commissions by **DOUBLE, TRIPLE** or even **QUADRUPLE** what they are now.

And when you come to The Supercharge Summit, you can learn how to do it in a SINGLE WEEKEND.

You'll be meeting and talking 1-on-1 with Top Earners IN PERSON... absorbing everything they've learned about how to make life-changing amounts of money.

Top internet marketers and top earners don't normally share this information with ANYONE. It's the "secret sauce" that makes their online businesses profitable and they're normally very protective of this information.

But they finally agreed to share their secrets in ONE PLACE on the condition that is for a small group of MOBE Partners only and that the recordings would never be publicly sold.

Listen... making money online can be tough.

I know from personal experience... it took me almost a FULL YEAR of working 10 hour days before I "figured it out" and started making REAL money online.

So if you're struggling to make consistent sales as a MOBE Partner, that's Ok... everyone picks up new skills at different speeds.

But if there was a way you could "skip" all the pain and suffering of learning how to be a Top Earner through hard work, trial &

error, and personal expense... wouldn't you
JUMP at the chance to take it?

There is.

The Supercharge Summit will take you from where you are NOW to where you want to be and the best part is...

... it only takes **THREE DAYS**.

In just 3 days you'll have absorbed ALL the information that it took the Top MOBE Earners years to accumulate.

Imagine coming home from the event knowing EXACTLY what to do to increase your monthly income and have a "leg up" on all the other partners that did NOT take advantage of the chance to get in on this.

Imagine what your life would be like if you started earning **\$10,000... \$20,000... even \$30,000 PER MONTH** doing this...

... what kind of luxury car would you drive
... what kind of house would you live in
... where would you dine out and what clothes would you buy
... would you vacation on an island paradise like Fiji or Aruba
... take a dream ski-trip to the Alps
... or fly off to Las Vegas "on a whim" with friends?

Imagine what your day-to-day life would be like, how much (or how little) work you would need to do, and what it would be like to have the **time, money, and freedom** to get up when you want to and go about your day according to YOUR rules.

That's the type of FREEDOM that I enjoy... and the same freedom that Top Earners in the MOBE program enjoy.

2015 Is An Entirely Different “Game” Than Last Year As Will Be 2016 And You Can Either Innovate Or Die

Think back to 2 or 3 years ago in the Internet Marketing space and try to remember the names of the IM gurus you saw then.

How many of them are still around?

Chances are many are **long-gone**... and there are TWO main reasons for this.

One... they did not provide value to their customers. Either they didn't care about their customers, didn't deliver good products and had terrible customer service... or all of the above.

Two... they did not INNOVATE.

The Internet Marketing space is constantly changing – maybe more so than ANY other niche out there today.

And those who do not innovate will die (figuratively speaking).

Why is Matt Lloyd Different...? And What This Means To You

First off, anyone who knows him knows that he cares deeply about you (his partners).

Not only does he genuinely want to see other people become successful... your success is also directly tied to his. The more sales you make as a MOBE Partner, the better the company does. Period.

Second, he is constantly innovating.

He is young and used to change.

He's **hard-wired** for change and in the business world – especially in a niche that is perpetually “in flux” like ours – those who can adapt and change will ALWAYS WIN.

The game in 2015 is different from the game in 2014, and in 2016 the game will be different than it is now.

But if there's one thing you can rely on... it's that he will be at the top of HIS game, figuring out what ACTUALLY works, and applying it to make himself (and his partners) a LOT of money.

The Fastest Way To The Top

The fastest way to the top is by learning first-hand, IN PERSON from the guys who are at the top of THEIR game.

At The Supercharge Summit you'll have direct access to Internet millionaires who are ALL at the top of their game. All of these guys are focusing on what works RIGHT NOW – and using it to make a TON of money.

The collective net worth of everyone at this event will be somewhere in the ***tens of millions of dollars.***

Just by being in the same room as these speakers will change your outlook on what is possible.

You'll also learn...

- How to **DOUBLE, TRIPLE** or even **QUADRUPLE** your monthly income.
- The best-kept ***money-making secrets*** of Top MOBE Earners.
- How **underdogs and newbies** are winning our big partner contests and generating massive amounts of sales.

- Where Top MOBE Earners get all their leads from (this is the ONLY place where you can find out these “secret” sources of high-quality, commission-generating leads)
- The **secret** to consistently winning my HUGE partner contests... there is an “art” to playing and winning these contests and if you apply it you can win BIG cash prizes of up to \$20,000 (or more).
- How to build a relationship with your list quickly and turn it into an **on-demand ATM**.
- **Advanced “Bonus-Creation” Secrets**... this skill is absolutely critical to your success and it is NOT to be missed. (Note: you do NOT need to have your own product to do this).
- A technique called “MOBE Positioning” that the highest-paid Top Earners use to bring in BIG commission checks like clockwork.
- How to make extra **\$3,000 to \$5,000 commissions** with NO EXTRA WORK (you simply have to “claim” these commissions for them to start coming to you on **auto-pilot**... and you’ll learn how at the event).

PLUS... a **Surprise Bonus** will be given out for ALL Supercharge Summit attendees (more about this in a minute).

During the event, we have our top trainers, partners, and coaches walking around and answering questions. They will be there – ready and willing – to help take your business to the next level.

If you need help with your funnels, getting quality traffic, making conversions, or ANY other “sticking point” that you’re struggling with... my team will be there to spend time with you 1-on-1 until we get it figured out TOGETHER.

We'll show you where you're getting "stuck" and give you the exact steps you need to take to get "unstuck" and start making more money – like we've done for so many others...

A FUN Party-Like Atmosphere... See How Internet Millionaires Enjoy Their Money And Join In On The Fun

The Supercharge Summit is first and foremost about making more money with your MOBE Business.

But it's also about having a good time.

For one, we'll be giving away **cash prizes** that you can win just by being in the audience.

We'll be holding contests and playing games... like the **Commission-Guessing Competition** where Top Earners will come up on stage and whoever guesses how much they made in commission gets **\$500 cash on the spot**.

You can get your picture taken with me and/or Top MOBE Earners that will be lifelong reminder of the fun you had at the event.

You can also use these photos in your marketing to get more MOBE sales and commissions... how valuable is that!

Three Internet Millionaires Walk Into A Bar...

I'll spare you a lame joke...

... but I do want you to know that you will have the chance to hang out with me, Top MOBE Partners, and celebrity guests at the bar – where everybody loosens up.

After learning (and having fun) all day, everyone's invited to the bar – where Top MOBE Earners, other attendees, and celebrity guests will have a couple drinks and get relaxed.

This is where you might just walk into a conversation that results in a deal that makes you tens of thousands of dollars.

Or you might buy an Internet millionaire a drink and listen in as they “spill the beans” on something new they're working on. Just hanging out and networking with these guys at the bar is an invaluable experience and a way to make some great business connections.

PLUS... A Surprise Bonus Worth \$997

Earlier I told you there'd be a surprise bonus for all Supercharge Summit attendees...

If you sign up for and attend one of the upcoming events, you will receive something for FREE – that is NOT available for sale anywhere else... and will NEVER be put up for sale publicly.

This is the ONLY way people can get their hands on this bonus and it is conservatively valued at \$997 (if it was ever sold, it could easily sell for upwards of \$1,497 or more).

All Supercharge Summit attendees will get a set of high-quality video recordings from the first Supercharge Summit held in San Diego.

Wait, Matt... Why Would I Want The Recordings Of The Same Information I'll Be Getting At My Event?

Because it's NOT the same information.

Each Supercharge Summit event features a unique line-up of Top Earners and celebrity guests – all revealing their best-kept secrets at that time. There is invaluable information from the San Diego event that up until now... NO ONE outside the event has had access to.

Think of this as “bonus” information – that will supplement what you learn at the upcoming event in your city. Who knows, there might be a key idea from one of the recordings that catapults you onto the next MOBE partner contest leader board and gets you a BIG cash prize of \$5,000 to \$20,000!

Ok, I'm In... How Much Does It Cost?

It's common for 3-day events like this to sell for \$5,000 to \$10,000 or more. I've paid upwards of \$10,000 for mastermind events to network and share ideas with people on the same level (or lower) than the guest speakers that will be featured at the Supercharge Summit.

When you consider the value of the **exclusive information** you're getting access to and all of the live, hands-on training... a fee of \$5,000 would be a STEAL for this event.

Hey even pricing the Supercharge Summit at \$2,497 – a very fair price that would help cover the expenses incurred when putting on an event including the venue, staff, equipment, speakers' fees, etc.

But I want to make this accessible for you... so that you can boost your MOBE Business, make a TON of commissions yourself, and help the company reach its goal of over \$50 million this year.

So, for that reason you won't pay \$2,497.

Or even \$997.

The one-time fee for The Supercharge Summit is only...

\$497

That's it.

\$497 really is NOTHING compared to what this event can do to change your life.

Think of it this way... if you make 4 extra sales per month from what you learn at the event, then you could potentially earn an additional \$48,000 over the next 12 months!

That would pay for the cost of your ticket many times over!

Now, 4 extra sales per month is very doable, but let's say you only did HALF of that and made an extra 2 sales per month from what you learn at the event.

That's an **additional \$24,000** in commissions.

Even if you did ONLY 1 extra sale per month, you're still looking at \$12,000 in EXTRA commissions... a pretty good return on your investment.

Heck, if you only did 1 extra sale PERIOD...

That \$1,000 In Commissions Will Cover Your Ticket Price More Than TWO TIMES OVER!

But you must ACT NOW.

To keep the training truly personal we're setting a limit on the number of attendees that we'll accept at each event.

Each Supercharge Summit event will be limited to JUST 120 people.

With the **overwhelming** response we've had so far these seats are going to go fast.

Expect all of these events to fill up VERY quickly... so grab up your seat now before someone else does.

My No-Risk, Non-Conditional Money Back Guarantee!

If you come to the Supercharge Summit, and don't feel like you get **at least \$5,000 worth of value**, then you will receive a refund the ENTIRE price of your ticket right there on the spot.

This is not a "conditional guarantee" where you'll have to prove that something did not work for you.

This is a 100% RISK-FREE, "just say the word and you will receive your money back" guarantee.

Because honestly... if you don't feel like you got value out of the event then they don't want your money. The event ticket doesn't

even cover the cost to put on the event... it's more of a way to separate the **tire-kickers** from those who are SERIOUS about taking their MOBE Business to the next level.

The goal is not to make money with the event; it's to create successful MOBE Partners so that the business will grow... while taking care of you (the partners) very well in the process.

Remember, we are all invested in your success as much as you are, so at the end of the day, if you don't feel like the event was worth your time (which has never happened) then they don't want your ticket money. Period.
